

LITTLE LEAGUE BASEBALL AND SOFTBALL *Pennsylvania District 27*

Laura and Van Scott Pennsylvania District 27 Little League Higher Education Scholarship

The Scholarship Fund was established in 2005 to offer financial aid to one baseball and one softball participant from District 27 each year. Laura and Van have over 35 years of service to Little League with over 45 years of combined service to District 27. The recipients of this award reflect the mission of Little League and the dedication to community service as exemplified by the Scotts. The amount of the scholarship for 2023 is \$1,000 each for baseball and softball.

Shortly after relocating to southeast Pennsylvania, Van and Laura took to Little League as one of the ways to channel their energies as well as to give something to the community. The Scotts are founding members of Pottstown Little League with Van serving as the first league president and Laura serving on the League Board. During their time at Pottstown, Van and Laura also served as Assistant District Administrators under Tony Marra in PA District 23. In 1993, District 23 was split into 3 districts with Van taking the District Administrator position and Laura taking the Financial Coordinator position for District 27. Over the next eleven years, these two were the heart and soul of PA District 27 spending countless hours in organizing and managing the affairs of District 27. Van and Laura stepped down from their district roles in 2004 but remained active in Little League for many years.
